A family of four is enjoying a private terrace. In the foreground, a woman and a man are seated in blue and green wicker chairs, facing each other and smiling. They are at a small white table with a coffee cup, a glass of water, and a bottle. In the background, a young boy is holding a large watermelon-shaped inflatable ring, and a young girl is standing nearby. The terrace is surrounded by lush greenery and overlooks a swimming pool and a water play area. The sky is clear and bright.

20TH Club

Guests staying in our Club Rooms and Suites will enjoy a series of exclusive privileges at the 20TH Club, including complimentary afternoon tea, evening cocktails and private check-in and check-out.

The Boardroom at 20TH Club

A collection of private meeting spaces including a 12-seater private boardroom with state-of-the-art technology for seamless meetings and presentations.

Premium Leisure Lounge

Perfectly positioned directly above Wonderland Explorers, this unique and laid-back space is a great space for Waterventure Terrace and Family Fun Suite guests to lounge during the day and evening. Grown-ups can enjoy complimentary afternoon tea and evening cocktails and canapés, while their children embark on amazing adventures

Sunway MediSpa

Nestled in tropical gardens, step into a sanctuary enveloped by nature's embrace. Sunway MediSpa is a state-of-the-art spa and medical centre that blends world-class hospitality and ancient Asian wellness practices, such as massage, aromatherapy and breathwork, as well as advanced "Medi Aesthetic" treatments for the face, hair or body.

These cutting-edge therapies are powered by INDIBA, a pioneer in the world of ACETEC (Alternating Current Electro Transference Technology) devices, which are used by leading physiotherapists, dermatologists, plastic surgeons and beauticians around the globe.

Wonderland Explorers

Young guests will be inspired, educated and entertained by our kid's club, taking the concept of "funducational" to a whole new level. In collaboration with the 'Jeffrey Sachs Center On Sustainable Development' we aim to showcase the importance of sustainability in the everyday through enjoyable and interesting ways, including role-playing activities, quiet corners and technology rooms.

Urban Farming

Perched on the rooftop of the Premium Leisure Lounge will be Sunway's XFarms, a rooftop urban farm for our young guests to learn about healthy eating, food waste, water management and composting. Look forward to hands-on learning experience about urban farming, sign-up for workshops and learn the inner workings of hydroponics with our Resident Farmer and other educational insight such as healthy eating, food security, food waste and water management. Experience "farm to table" freshness where a supply of fresh produce from the garden will be served at our restaurants.

The hydroponic urban farm is in collaboration with Sunway XFarms, led by Sunway Innovation Labs (Sunway iLabs).

Swimming Pool

Unwind in a tropical paradise at the freeform landscaped pool, featuring LED lights and underwater speakers. Surrounded by sun decks, sun loungers, lush foliage and cascading waterfalls, this is the perfect place to spend endless days relaxing.

Waterventure

The ultimate children's play zone featuring wading pools, a water playground and an array of other exhilarating activities. Families staying in the Waterventure Terrace rooms will enjoy direct access to this aquatic adventure playland from their private terrace.

Health Club

Powered by Technogym, the world leading company in fitness, wellness and digital solutions, charge up your gym routine 24/7 at our Health Club while overlooking our tropical pool deck. Changing rooms and wellness facilities such as sauna, steam and ice chambers are seamlessly integrated to aid your post-workout relaxation alongside light refreshments at the Lounge.
